**Form 990 - Organization's Mission**

Center for Nonprofit Excellence's mission is simple but critical to our area's nonprofit sector: to strengthen nonprofits to realize the potential of our community.

CNE has a passion for performance. We succeed when nonprofits do good work better. We believe in the power of collaboration. We succeed when we help nonprofits clear obstacles to collaboration, and identify and address systemic challenges that impede their success. We promote the potential of nonprofits. We succeed when nonprofits are recognized for their economic impact, perceived as effective agents of change and engaged with community partners to solve real problems and enhance our lives:

\*Passion for Performance - We provide education, consulting and resources to create strong leaders, effective managers and healthy collaborators.

\*Power of Collaboration - We invest our time, expertise and resources to promote collaboration, which empowers a more efficient and effective nonprofit sector.

\*Potential of Nonprofits - We believe in and advocate for a strong, independent nonprofit sector. We respect and nurture the sector so it can do the important and challenging work of enriching our community.

Between January 1 and June 30, 2018, CNE strengthened our member support, continued our excellent and responsive programming, and worked to develop new programs to serve nonprofits and the sector. Highlights from this time include:

\*Hiring an Administrative Coordinator for the Charlottesville Office. This new role provides general office support and also serves as the concierge

for our members and visitors. The Coordinator provides support for membership renewals, job postings, and administrative inquires. The addition of this position has deepened the customer-service approach to our membership and provided key support for our effective and efficient office management.

\*Growing our membership to the highest number ever. As of June 30, CNE had 280 members. This is the most our membership has ever been, and our high renewal rates and growing number of new members demonstrates the value we provide the nonprofit community.

\*Expanding our programmatic efforts with the Finance Academy. While we continue to provide training and support for individuals and organizations, in the short fiscal year we additionally launched our benchmarking conversations. Beginning with the corporate community, we have begun to ask, "What do you look at when you consider whether to invest in a nonprofit?" The goal is to develop community-driven markers for healthy nonprofits, and to create a common language for understanding how nonprofits work and how best to support organizations in addressing pressing community needs.

In this short fiscal year, CNE has continued hosting conversations, trainings, and workshops around governance, fundraising, collaboration, and leading practices for the sector. We have expanded our learning and offerings around diversity and equity, and have offered a wide range of technical assistance to nonprofit organizations. We also continue to enjoy partnering and have deepened our relationships with regional funders and collaborators outside of the Charlottesville region.

also began partnering with the Cameron Foundation in Petersburg, VA and the Community Foundation of the Central Blue Ridge in Staunton, VA. All 3 of these strategic partnerships have continued through 2018. Services include hosting workshops, providing short-term technical assistance and capacity building consulting with nonprofits in those communities.

Program Achievements:

CNE provided 24 workshops for our strategic partners serving over 200 individuals. Topics included Creating a Compelling Case of Support, Speak Up! Effectively Share your Story in any Situation, Strategy Framework, and Board Academy. As a "help desk" for nonprofits, CNE also responded to more than 200 technical assistance requests from nonprofits local to these communities.

Feedback from regional program participants includes:

The PATH Resource Center has been a great asset to the leadership of Fauquier FISH. Not only have we recruited several quality volunteers from the LetsVolunteer.org website, we have utilized the support of the Center for Nonprofit Excellence to sit down one on one with [CNE] to diversify our community engagement and develop a successful fundraising plan.

life cycle.

Program Achievements:

During the first six months of 2018, CNE received 56 consulting requests, including for Onsites and ConsultCorps. CNE staff fulfilled 25 of the consulting requests, 16 requests were forwarded to ConsultCorps affiliate members, and 14 were forwarded to non-ConsultCorps affiliate members.

Consulting topics included board governance, strategic planning,

philanthropy, business planning, and leadership. In CoLab facilitations, for example, one hundred percent (100%) of participants responded that the facilitator supported each stakeholder to ensure fair, balanced, respectful, and inclusive discussions.

Feedback from ConsultCorps program participants includes:

CNE provided an abundance of support for the Improving Pregnancy Outcomes (IPO) workgroup. [Our CNE facilitator] went well above and beyond IPO's expectations by facilitating a 2-hr workshop for nearly 30 coalition members and providing technical assistance, in-person and over the phone, before and after the workshop. She met with IPO leaders multiple times and communicated effectively and in a timely manner. After the IPO workshop, she helped the IPO leaders in developing membership bylaws and a coalition charter. She then helped to present this information at another IPO meeting as a way to provide support to IPO leaders and all coalition members. Our CNE facilitators' support has already helped IPO to improve its internal capacity for improving birth outcomes throughout our community.

suite of financial leadership and management programs, from two-hour workshops to the Financial Health Review service, a consulting review of an organization's finances and internal controls with recommendations for improvement and opportunities for growth.

Program Achievements:

The objective of the Board Academy is to prepare graduates for board service. Seventy-four percent of graduates who responded to our 2018 survey are serving on one or more boards. Ninety-five percent stated they had shared information with others. While ninety-four percent stated they would

Those who have participated in the Finance Academy's Financial Health Review have reported that their assigned consultants clearly outlined the work of the review by preparing a work plan and highlighting project deliverables 100% of the time.

Feedback from participants includes:

Board Academy:

"Everything was helpful because I knew none of it [before Board Academy]: basic finances, board development, change management, governance, evaluation of staff and programs...I would not have had the confidence to join a board without having gone through Board Academy."

Finance Academy:

"The most useful part of the Financial Health Review were tips on our financial reporting in terms of who has access to reports and also the format. In addition, we added the one page financial narrative immediately to our Board financials and this was welcomed."
