

Spring 2019 Impact Update

In the past year, CNE worked with our 290 members and community partners to strengthen the nonprofit sector and deepen its collective impact on our communities. Thank you for all that we accomplished together through your generous support.

505

hours of consulting
and facilitation

722

technical support
engagements
with members

98%

of participants would share
what they learned
with others

Consulting

"I cannot imagine going through this process without the excellent help of the CNE. You all were incredible organizers, guides, cheerleaders, and counselors throughout the dissolution process."

Emerging Leaders Circle

"I feel like I came in one person and left someone totally different. My confidence has soared and I now have a fantastic network of leaders to continue working with."

Technical Assistance

"CNE has been a lifesaver for our organization. It has helped us to get on the right path and start our organization correctly."

Board Academy

"I was AMAZED by the breadth and depth of the material. I wish I would have had this class when I served on my first board in 2003."
